## Bonded Grain Warehouse Locates Here

### Storage For 12,000,000 Pounds of Milo At Southland Mill Planned

After many long distance phone calls and much letter writing a meeting was held Tuesday morning in Cameron, between the officials of Southland Cotton Oil Company, Bill Burns, president of the local Chamber of Commerce and Bassel Wilson of Wilson Produce Company.

At this meeting plans were worked out whereby the local seed warehouse would be used for the storage of maize. Bonded warehouse receipts will be issued on all grain stored there and the grain may be put in for government loans, if desired.

The local plant will be available for approximately 12,000,000 pound milo. There was no storage available locally and with the prospects of the largest crop in the history of this county soon to be ready for market, there has been much concern for the grain producers. This storage will help solve this problem.

Milam County is expected to harvest approximately 8,000,000 pounds of grain sorghums this season. This is truly something big and everyone is happy over the crop prospects.

The Southland officials ordered out some of the old crews formally employed there and will begin a complete renovation of their storage facilities. Mr. Tate, local Supt. for Southland stated that they will begin cleaning up operations immediately Wednesday.

It is expected to take them about two weeks to complete the job of making the plant ready for milo storage. Southland is expected to install a grain drier to reduce the surplus moisture content and an aeration system for cooling the grain while in storage. This cooling system allows them to draw fresh air thru the grain at any desired time, thus keeping it up in grade and in good condition.

This is one of the major accomplishments in recent years for the local farmers. If a bad market situation arises, the farmers may store their grain in the warehouse and use their receipt to borrow money on the grain or they may put it in for a government loan at support prices.

Wilson stated that he wanted to thank Alva G. Sanders, local ASC Secretary for his untiring efforts and time spent on trips with him to see certain officials and to John A. Smith, Milam County resident of the Farm Bureau and Chairman of the Crops and Conservation Committee of the Cameron Chamber of Commerce who encouraged and assisted in the

project.

Milam County is fortunate in having men like these who are constantly looking for the betterment of their community and fellowman. J. R. Gill, President of Southland Corporation, Paris, Texas, and Dick Taylor, Chief Traveling Engineer for Southland were very helpful and co-operative in working out the project.

The farmers are now assured of grain storage locally for this year's crop. This should only be the beginning as there is still far greater needs ahead.

Gill and Taylor were to have a meeting in Houston Wednesday and to advise Wilson further on the project.

### Business Here To Close All Day July 4

Since the majority of the merchants voted that July 4 be a legal holiday this year, Chamber of Commerce officials reported, all businesses in Cameron will close for that day.

John Hays, postmaster, announced that the post office will also be closed on the fourth, with no mail service given through the day except special delivery.

The office of THE CAMERON HERALD and THE DAILY MIDGET will be closed, with no MIDGET published on that day. Any news or Advertising anyone wishes to place should be taken care Tuesday, July 5.

### Herald Office To Close Every Saturday Noon

Starting this Saturday THE CAMERON HERALD and THE DAILY MIDGET offices will remain open only half a day every Saturday.

Since the office will close at noon everyone wishing to call in a news story, classified ad or other advertising, is asked to call 282 prior to 12 o'clock noon or Monday morning.

Weekday hours will remain the same, from 8 a. m. until 5 p. m.

Most of us find that it is a much easier job to talk ourselves into trouble than out of it.

### Funeral Rites Held Saturday For E. Lindsey

Funeral services for Edgar H. Lindsey were scheduled at 2 p. m. Saturday, June 25 at the chapel of Marek-Burns funeral home with Rev. P. L. Caperton, pastor of the Battetown Baptist Church, officiating. Burial in Oak Hill Cemetery.

Mr. Lindsey, 77, died following a heart attack in Waco at 7:50 a. m. Friday. He had been a resident of Waco for six months. Prior to that, Mr. Lindsey made his home in the Maysfield community with his son.

He was born June 22, 1878 in Bell County, but lived most of his life in Milam County.

He is survived by three sons, Bruce Lindsey of Maysfield, Buford Lindsey of El Mott, Texas and J. P. McBeth of Waco; one daughter, Mrs. Vada Brown of Mt. Calm and twenty-two grandchildren.

### Changes Asked Cotton Allotment By Rep. Poage

WASHINGTON, — A cotton bill which would keep irrigated cotton growers of western, northwestern and southern Texas from getting the major portion of 700,000 acres of cotton allotment was introduced in the House today by Rep. Bob Poage, Waco, vice chairman of the House Agriculture committee.

The bill would reduce the state reserve from 10 percent to 2 1/2 percent. In Texas, 10 percent reserve amounts to over 700,000 acres. This reserve is apportioned after individual farmers have been given their regular allotment. Although not stating so, the bill would apply only to Texas because it relates to states over 500,000 acres to distribute and Texas is the only one having this large acreage.

Poage said 64 percent of the state's reserve was allocated this year for trends in cotton growing. This means that since cotton appears to be enjoying production increases in western and far southern irrigated areas, that the trend is considered in western and southern Texas, and away from the old cotton growing area. Joe Hart, La Grange, told the House Agriculture subcommittee this week that last year 90 percent of the state's reserve of 700,000 acres went to build up even greater reserves.

### Transfer of 17 Rogers High School Negroes To Cameron Not Official

Cameron Independent School Board president, Dr. Clifford Swift stated today that the local board, as a whole, knew nothing of the proposed transfer of 17 negro students from Rogers to the local O. J. Thomas High School, until they read it in a newspaper.

Dr. Swift added that although the decision, reported as official in the newspaper, was very unofficial, the board as a unit had authorized a telephone call to J. B. Robertson, Rogers school superintendent who recently resigned, stating that although they did not solicit transfers neither did they turn them down. The board contacted the Bell County School board to the effect that the students would have to make formal application to the local board before they could be officially accepted into the Cameron school system.

The transfers are the result of

the closing of the Rogers negro high school. The students, left without a school, wanted to transfer to the Temple school, but the officials there discussed the matter and stated that a tuition charge of nearly \$125 per pupil will be charged a Dunbar for transfers.

Mr. Robertson reportedly then told the county board that the students would be accepted into the Cameron negro high school without charge.

The same report stated that the county board was told that the Rogers school district could not afford to pay the tuition charged at Temple, but if the students transferred to Cameron that bus transportation would be provided them to Cameron from Rogers and home again without charge.

Dr. Swift concluded that until actual formal application was made no action by the local board is necessary.

### June 30 Last Day To Enter C of C Cotton Production Contest

Chamber of Commerce officials announced today that June 30 is the final date for entering the County Cotton Production Contest.

Minimum acreage that will be judged will be five acres, authorities stated, with the pre-requisite that entry blanks must be obtained before July 1.

The contestants entries will be judged on three major points: 50 per cent yield; 20 per cent records and 30 per cent improved farm practices, which is broken down as follows: Cropping system 5 percent; Soil and Water Conservation, 5 percent; Planting State Certified Seed — 5 percent; Control of Insects, 5 percent; Cultivation and Control of Weeds, 5 percent; and Application of Fertilizer, 5 percent.

A first prize of \$100, second prize of \$50 and two honorable mentions will be awarded.

Entry blanks are available at the C of C office, the County Agent's office, the Farmer's Home

### Diseases Light In Milam Last Week

A week comparatively free of contagious diseases in Milam county was ascertained by the County Health Unit their report for the week ending Saturday, June 26.

During that time there were only four cases of strep throat, four cases of shigellosis, two of measles and two of gonorrhea reported.

### F. G. Blake County Chairman of ETCC In July

F. G. Blake, president of the Coca Cola Bottling Co., Cameron and well-known civic and business leader of this area, has been selected County Chairman of the Month of July by the East Texas Chamber of Commerce.

In recognition of his success in carrying out his duties as Robertson County Chairman, the July issue of EAST TEXAS magazine, official publication of the East Texas Chamber, carries an article honoring Hearn, "for his outstanding work in representing the regional chamber's effort to develop and stabilize the economy of the 72-county region around and including Robertson County."

The article gives a summary of Hearn's community activities, relating that his a member of the Methodist Church, holds the 32nd Degree in the Masons, member of the K. P. Lodge, past president of the Cameron Chamber of Commerce and has served on the Texas Chamber.

In expressing gratitude for his work in behalf of the East Texas Chamber, the article states, "We are privileged to have the capable services of such a man."

### Dollar Day To Fall On Saturday July 2, Just In Time For Holiday

In the past DOLLAR DAY a day awaited eagerly by the purchasing public each month, is held on the first Monday. This week the plan will deviate somewhat, but the day will still be a DOLLAR DAY, even though July 4, a holiday, falls on the first Monday.

Look for your DOLLAR DAY specials in the Cameron Herald

all to be good on Saturday, July 2, just in time for the July 4 holiday.

Remember, this month you will find all your DOLLAR DAY specials on Saturday, July 2. Take advantage of the specials, listed in the Cameron Herald. Save your money while buying quality merchandise at low — low prices.

### Saddle Club To Sponsor First Annual Horse Show

Cameron's Yoe High School Athletic Field will be the scene of the first annual Horse Show July 22, sponsored by the Cameron Saddle Club.

The A. Q. H. A. approved show will begin with a street parade at 5 p. m. followed by the grand entry at 8 p. m., according to John S. Batte, general chairman.

First event of the show will be the Quarter Horse at Halter at 3 p. m. with a trophy to be presented to the grand champions.

During the evening show there will be 13 events with a trophy and three ribbons to be awarded in each class. There will also be a trophy presented to the largest Saddle Club in uniform present.

Classes in the show are: (1)

Children under 12 (Horse under 14 hands, Western equipment); (2) Children 12-16 — western equipment; (3) Shetland Pony Class, 46 inches and under; (4) Palomino Stallion, Mares and Geldings at open; (5) Tennessee Walking Horse; (6) Ladies Pleasure Class, western English equipment; (7) Appaloosa at Halter; (8) Three Gaited Class — Western Equipment; (9) Western Couple Class — Riders Opposite Sex; (10) Shetland in Harness; (11) Plantation — western; (12) Ladies Barrel Race; and (13) Mens Barrel Race.

La Verne Michalka returned to Austin this past week-end after spending her vacation here visiting with her family, Mr. and Mrs. Ralph Michalka, and friends.

## Necessary Expenditures Main Subject At Council Meeting Tuesday Night

The over-worked "Parking Meter Fund" caught the brunt of most of the action at the City Council meeting Tuesday night, with many necessary expenditures cited and the meter fund eyed with a hopeful eye.

Their wishes were uneventful, however, since most of the \$5,000 balance in the meter fund has already been earmarked for other projects.

Milton Schiller acted as Mayor in the absence of Mayor O. B. Horstmann.

At the beginning of the meeting, Jack Prescott, who was representing Mrs. Zellner, who was also present, asked the council for their consideration in saving the trees by the Zellner home when getting the right-of-way for the highway.

Later in the meeting the Street Committee stated that every effort would be made to save the trees. They authorized Grady Stid-

dham, head of the committee, to contact Joe Hanover, the State Highway Engineer in the area, and have him go over the problem with them.

Next to appear before the council was Alvin Dusek, who presented a petition signed by most of the residents from his area asking that Lamar Street, from seventh to tenth street, Milam Street, from Street, from Fannin to Milam and Eighth Street, from Fannin to Milam same time the other paving and curbing is slated for that area. lam, be curbed and paved at the He explained that heavy traffic in that vicinity kept the streets in poor repair and the residents will be will to pay their share of the costs on the assessment basis.

Nelms and Kelly, who are assisting in the Colored Summer Recreation Program, then addressed the council with the request for adequate lighting at their park to make baseball and night games possible.

Nelms humorously stated, "Sometimes it's so dark out there and some of the children are so small we have a hard time finding them."

They were advised that although the city had not looked forward to this extra expenditure, the matter would be investigated and lights would be provided if at all possible.

Later in the meeting, during the committee reports, councilmen decided to take \$350 from the Police Fund and that, together with the \$150 left in the Recreation fund would be sufficient to add enough lights to make a well-lighted field.

Some controversy arose on the opening of the alley by the Fuchs home. Several councilmen held that the alley should be opened immediately while the remainder thought that if the council let the matter ride it would work itself out. Clifford Thompson stated that

if the alley was opened on the opposite side of the house a wider street could be provided all the way to the Maysfield road.

Grady Stidham, head of the Street Committee, stated that Fuchs had been very cooperative and indicated that other residents having alley space beside their homes might be willing to open them up to provide a straight of way to the Maysfield road. No definite action was taken.

It was then voted to re-survey the cite for a drainage ditch from the low area in the Williams Addition on north, and decide upon the correct location of the ditch.

Councilmen then voted to oil Karnes Street from Batte Street to the New Highway, if the amount of oil on hand will stretch that far.

Thompson said he thought it would be a good idea at the time they provided the temporary relief to approach the home owners See Council, page 6

SIXTH ENTRANT — Miss Martha Jean Hanke is the sixth to enter the Milam County Farm Bureau Queen contest to be held July 21 in Cameron. Miss Hanke is the sixteen year old daughter of Mr. and Mrs. Ernest Hanke of Route Two, Rogers. She is a junior in Buckholts high school and a member of the Future Homemakers of America in that school.

SHARP ENTRY — Miss Betty Joyce Ottmer was the fifth young Milam County lady to enter the Farm Bureau queen contest. Miss Ottmer, who is a junior in Sharp High School, is the eighteen year old daughter of Mr. and Mrs. Robert Ottmer, Route One, Buckholts. She is an active member of the Future Homemakers Association in the Sharp Schools.

MILAM COUNTY FARM BUREAU QUEEN CONTEST — Shirley Ann Drummond, age 17, the daughter of Mr. and Mrs. D. C. Drummond of Rockdale, member of the Future Homemakers of America and a member of the Rainbow girls of Rockdale. Shirley is also vice-president of the Methodist Youth Fellowship. Her father has been a member of the Farm Bureau for a number of years.

Miss Imelda Thersa Hanel, age 17, daughter of Mr. and Mrs. Frank Hanel, Cameron, Texas, Rt. 3. Graduated from Yoe High School, Cameron, Texas, in June, 1955. While in school, president of the F.H.A. organization. Member of the C.Y.O. of the Catholic Church. Miss Hanel's father has been a member of the Milam County Farm Bureau since its organization in 1949. Mr. Hanel uses all the many services offered by the Farm Bureau.

Farm & Ranch Real Estate Taxes Upward

Real estate taxes on farms and ranches in Texas were 3.2 percent higher in 1954 than in 1953 — the eighth straight year of increase. The average tax per acre for the state in 1954 was 28.8 cents compared with 27.9 cents the previous year, according to L. P. Gabbard, agricultural economist at Texas A. & M. College.

While this slight increase was taking place in taxes, agricultural prices in Texas declined. The price index of agricultural commodities in the state dropped from 273 in 1953 to 265 in 1954. The change in the tax-price ratio was from 1.14 in '53 to 1.21 in '54 — a relative increase in tax burden of slightly more than six percent.

"In other words, it took six percent more farm commodities to pay taxes last year than it did the previous year," Gabbard said. The tax burden has increased 57 percent during the four year period 1951-1954.

Gabbard cited a high degree of variation in real estate taxes among type-of-farming areas and from one year to another in the same area. In 1954 the average tax per acre in the irrigated Upper Rio Grande Valley was \$4.55 while in the High Plains and Trans-Pecos areas adjoining, it was six cents an acre.

The economists found that taxes declined 10 percent in the Lower Rio Grande Valley and increased 16.6 percent in the Coastal Prairie area in 1954 compared with

Mrs. Lewis Installs B&PW Officers At Friday Meeting

The Business & Professional Women's Club held its installation of officers Friday night at the Fellowship Hall of the First Methodist Church, with Mrs. Ida Belle Lewis in charge of the ceremony. Miss Lenora Bickett, out-going president, called the group to order and Mrs. Lela Pruett gave the invocation. Following the salad luncheon Fred Carroll, accompanied at the piano by Miss Shirley Horstmann, sang the "Lord's Prayer". Mrs. Lewis used the candle light ceremony during the installation. Mrs. Neomi Needham was installed as the 1955 president; Mrs. Mary Houston, first vice-president; Mrs. Lela Pruett, second vice-president; Mrs. Lilly McWilliams, treasurer; Miss Irene Williams, secretary and Miss Florence Hobson, corresponding secretary.

Mrs. McWilliams presented Miss Bickett, the out-going president, with a gift. Mrs. Robert Bowling closed the evening's activities with the benediction.

Local Scout Troop To Go To Tahuaya

Eleven Boy Scout Troops from the nine-county Heart O'Texas Boy Scout Council will again roll into the gates at Camp Tahuaya this Sunday afternoon, June 26. Camp Director, Pete Wagner, announced this week.

This is the fifth straight filled-to-capacity week for the camp, Mr. Wagner stated.

Visitors might be Wednesday night at the 122 acre Camp Tahuaya, and special "Stunt Night" programs are held in the recently expanded 500-seat amphitheatre for the families and friends of the scouts in camp. The public is urged to visit the Camp while it is in session, and while meals cannot be served to visitors, Wednesday night guests are urged to bring picnic suppers to be eaten at the camp, Mr. Wagner added.

Among the troops holding reservations for this coming week at Camp Tahuaya are: American Legion Post No. 279, Rogers, and First Methodist Church, Cameron.

Miss Billie Burke, the daughter of Mr. and Mrs. Charlie Burke, is visiting her grandmother, Mrs. C. O. Bettinger, in Waco this week.

From where I sit... by Joe Marsh

If You Can't Lick 'em—Join 'em

Just back from visiting with my daughter's family—and playing Grandpop to two of the cutest kids you ever saw. While there I picked up a couple of new ideas on child raising:

If your child's learning to use a pen, provide an old fountain pen—filled with bluing. Looks and writes like ink, but won't stain clothes or furniture.

Maybe you have a boy, like my grandson, who thinks he's too old for a bib—but isn't. A big cowboy bandana works just as well, and looks he-man to boot.

From where I sit, getting along with children is like getting along with grownups—it requires an effort to see things from the other person's point of view. At any age, there's no accounting for tastes. Take my neighbor who keeps a parakeet and drinks hot coffee in the summertime. That seems strange to me . . . a man who's partial to hound dogs and a cooling glass of beer. But I'd be "childish" to say it was wrong.

Joe Marsh

Local Saddle Club To Celebrate First Birthday

The Cameron Saddle Club is celebrating its first birthday in July and although the club is this young it boasts of having approximately sixty members.

In early July, 1954, several decided that Cameron should have a saddle club and in just a few weeks the Cameron Saddle Club was organized. Officers include a president, vice - president, secretary, treasurer and a Board of Directors.

In the past year this club has traveled some 1,200 miles participating in horse shows and parades over Central Texas. It has enjoyed many outings together such as trail rides, barbecues and picnics.

The Cameron Saddle Club is a self supporting organization and does not ask for contributions from the merchants of the city and their only desire is to have a club that can be enjoyed by young and old alike and be an asset to the community.

R. Kalkbrenner in the Pettibone Community has just completed a new pond. Soil Conservation Service technicians staked this pond and supervised construction to get a flatter slope on the back than is found in most of the older ponds. This type of structure gives more space to pile the dirt, slopes that will allow grass to grow, and makes a more attractive structure. S. C. S. technicians expect to stake more ponds of this type in the Blacklands in the future.

The 4-H Soils judging team from Pampa stopped by Cameron last week to get some practice judging Central Texas soils before going on the College Station for the State contest. Bo Tittsworth, R. B. McDonald and Wayne Mann spent some time with them studying the soils found in his area. They were very pleased to learn that the boys placed second in the State Contest the next day.

A. J. Smith and son have just completed a new stock pond in one of their upland pastures in the Branchville community. This pond will furnish stock water during dry periods and is located in the 200 acre pasture to give best possible grazing distribution. Deferred grazing of this upland pastures has been a very good conservation practice to use in the pasture improvement program. After two years deferment, it has a good cover of the more desirable native grasses.

The Central Texas Board of Supervisors approved 36 farm plans, covering 5,840 acres of land in the district at their regular monthly meeting.

Meeting with the board was a conservation group from Oscar. Jerry L. Bedrich, H. E. Lueck, Ed Schneider, William J. Kotrla, Frankie Bedrich, F. J. Bedrich, and J. W. Ondrasek. A. L. Thompson, manager of the district supervisors, was also present.

Service technicians staked this pond and supervised construction to get a flatter slope on the back than is found in most of the older ponds. This type of structure gives more space to pile the dirt, slopes that will allow grass to grow, and makes a more attractive structure. SCS technicians expect to stake more ponds of this type on the blacklands in the future.

Now is the time to prepare waterways on oat land. If you need help contact your Soil Conservation District representatives.

This pond will furnish stock water during dry periods and is located in the 200 acre pasture to give best possible grazing distribution. Deferred grazing of this upland pastures has been a very good conservation practice to use in the pasture improvement program. After two years deferment, it has a good cover of the more desirable native grasses.

A farm pond is being constructed on the T. E. Sanderford farm 4 miles south-west of Belton. This pond is being constructed in the center of a 200 acre pasture for livestock water and to permit a better distribution of grazing.

A bulldozer is being used to construct the 2,000 cu. yard farm pond. The pasture where the pond is being constructed has had a years rest to permit all grasses to make a good growth and esed

crop. Sanderford plans to use it this winter to winter some cows and goats on, and needed the pond for stock water. Soil Conservation Service personnel assisting the Central Texas Soil Conservation District are assisting Sanderford with this construction. He is also receiving 8 cents per cubic yard conservation payment from the A. S. C. on this farm pond.

Central Texas District Supervisors approved 36 agreements on 5,840 acres at the June meeting.

A group of six cooperators from the Oscar community met with the board to request conservation equipment for their community.

The board approved a stalk shredder for this group.

S. C. S. personnel over the District report good rains. Because of the way the rains have fallen, the new stock ponds have caught very little water.

William Love in the Ad Hall Community reports that his well is furnishing water again after being dry for over a year. Others with shallow wells in the area are beginning to see the water level rise for the first time in several years.

J. D. Martin's planting of Buffalo grass is up to a good stand. It was fertilized with 5-10-5 at about 600 pounds to the acre. A few test rows were not fertilized to observe. At this time the fertilizer seedlings are about twice as large as the non-fertilized and the color and vigor of the fertilized plants is far superior to the non-fertilized Bently Fletcher in the Hoyte community also has a good planting of Buffalo grass in some deep sandy soil.

C. O. Bierschwale, cooperator in the south Nolanville community is constructing a 2,000 cubic yard farm pond for live stockwater. This pond is being constructed in a 200 acre pasture to permit a better distribution of grazing.

Bierschwale has rested this pasture part of each year, and the growth of perennial grasses show that a rest was needed. By locating the pond site near the center of this pasture, stock will graze more evenly over the entire pasture.

Grass is Bierschwale's main crop. He is interested only in cattle, and the better grass he grows the more cattle he can produce.

At this time the fertilized seedlings are about twice as large as the non fertilized and the color and vigor of the fertilized plants is far superior of the non fertilized.

Bently Fletcher, in the Hoyte community, also has a good planting of buffalo grass in the same deep sandy soil.

J. M. Baker terraced and contour farmed two fields on his farm four miles south of Temple last fall. Water ran out of the terraces onto the Bermuda grass waterways the first time on June 18. The 1.7 inch rain that fell in a very short time produced runoff. The water running out the lower end of his waterway was clear and free of silt.

Jerry Bedrich, conservation farmer near Oscar, mowed his waterways and pasture this week to control weeds. The Bermuda grass sprigs planted this spring with the District springing machine is near a solid stand in the waterways.

It is as hard for a rich man to enter heaven as it is for a poor man to live on earth.

Private aerial applicator firms operating over 7,000 aircraft disperse annually 644,000,000 pounds of dust-type chemicals and 80 million gallons of liquid sprays. Aerial pest control, weed control and fertilizing add an estimated \$3 billion to the annual farm income.

## Mary Helen Schneider of Rosebud Marries John Joe Johns Saturday

Miss Mary Helen Schneider, the daughter of Mr. and Mrs. Otto Schneider of Rosebud, and John Joe Johns, son of Mrs. Anna S. Johns of Rogers, were married Saturday morning at 8:30 in St. Joseph's Catholic church at Cyclone.

Rev. Michael O'Reagan officiated at the double ring ceremony. Mrs. Alvin Schneider at the organ and the Cyclone choir furnished the wedding music.

Given in marriage by her father, the bride wore an applied lace dress over taffeta, designed with a scalloped neckline and short cap sleeves. The floor-length gathered net skirt was accented with a short lace peplum. Her veil of illusion was attached to a headpiece of shimmering net enhanced with seed pearls. She wore elbow length lace mitts and a pearl necklace with matching earrings belonging to her sister, Mrs. Beauford Wilde.

Mrs. Monroe Johns of Terrell was matron of honor. Bridesmaid was Mrs. Harvey Schneider, sister of the bride and Miss Doris Kleypas.

The attendants' dresses were identical with fitted bodices and

full skirts of tiered ruffled net over taffeta. The matron of honor wore yellow and the bridesmaids dresses were of Nile green. They wore matching net gloves and picture hats of net and taffeta.

Monroe Johns, served his brother as best man. Ushers were Harvey Schneider, brother of the bride, James Beran of Temple, and George Schneider, also a brother of the bride.

Following the ceremony a reception was held at the home of the bride's parents. The bride's table was laid with a white linen cloth and centered with a square wedding cake topped with a miniature bride and bridegroom.

When the bride left for her wedding trip, she wore a two piece beige suit with black accessories and an orchid corsage.

Mrs. Johns is a graduate of Rosebud High School and attended Durham's Business college. She is now employed in Austin.

Mr. Johns is a graduate of Yoe High School, Cameron and Texas A & M College.

Guests were present from Austin, Humble, Angleton, Dallas, Terrell, Seguin, Brownsville, Temple, Rowena, Loti and Rogers.

## Miss Betty Varner Becomes Bride Of "Dickie" Scott In Sunday Ceremony

Miss Betty Varner became the bride of "Dickie" Scott in a ceremony held in the home of the bride Sunday, June 12 with Reverend Art Sullivan conducting.

The bride is the daughter of Mr. and Mrs. B. L. Varner of Cameron and the groom is the son of Mrs. Joe Sheguit, also of Cameron.

The bride chose a pink faille princess-styled dress with matching jacket. Diminutive white daisies were scattered on the collar of the jacket. Her dress was complimented with a bridal corsage of three large white carnations.

Miss Mary Jo Varner, sister of the bride, acted as maid of honor. She was gowned in a blue princess styled dress featuring a scooped neckline which was edged in white daisies. She wore a corsage of white carnations.

Serving as best man was Elton Coward.

The mother of the bride was dressed in a printed nylon dress with a white carnation corsage.

Mrs. Sheguit, mother of the groom, wore a pink suit and a white carnation corsage.

Following the ceremony approximately 50 guests were served a

barbecued dinner. After a short wedding trip the couple is making their home at 1301 North Fannin Street in Cameron.

## Rev J. E. Berry Buckholts Pastor

The new pastor of Buckholts Methodist church is Rev. Jack E. Berry who was the former pastor of Milano Methodist Church.

Rev. Berry preached his initial sermon for the new conference year at Friendship Community last Sunday. He has announced preaching services will be held here on the first and third Sundays. The morning worship service will be begin at 11, and preaching will be in the evening at 8 p. m.

Rev. and Mrs. Berry are now residing at the parsonage home here.

## Berniece Miller Honored On Birthday Sunday

Mr. and Mrs. Berniece Miller celebrated Mr. Miller's birthday with a barbecue dinner at their home in Lexington Sunday.

Attending the dinner from Sharp

were Mrs. Miller's parents, Mr. and Mrs. George L. Schroeder, also present were their daughter and family, Mr. and Mrs. Herbert Wurtzback and children of Rio Medina, and Mr. and Mrs. E. L. Schroeder.

## Foxes Lead Summer Bowlers With 20 Wins

The Foxes, captained by Dr. John Boyce, have really "out-foxed" and out-paced the rest of the Summer League Bowling teams this year, having a record, to date of 20 wins and no losses.

The Wildcats, captained by Pete Susek and the Panthers, captained by Richard Hollas, are tied for second place, each having 12 wins and eight losses.

Next in line are the Coyotes, with Rudolph Richter as captain, having seven wins and 13 losses.

Philip Ermis' Wolves are next with six wins and 14 losses and the Armadillos, with Bob Wells as captain, are in the cellar, with 2 wins and 18 losses.

Mr. and Mrs. Bill Marek are planning to travel to Canada on a sightseeing tour while on their vacation which started this week.

**VRAZELS PLAYBOYS**  
Sunday night, July 3  
**NATIONAL HALL CLUB**

The 38th annual family reunion of the R. C. Dodson family will be held at the Cameron City Park July 3.

Every one has been extended a cordial invitation to attend and to bring a well filled basket lunch for the noon meal.

More than twenty five years ago... Superior Dairies was selling but a few thousand quarts of milk a year! Today... it takes millions of quarts of Superior Dairies' pasteurized milk to satisfy Central Texans.

Housewives know why so many folks demand Superior Dairies' milk. They know why Superior Dairies' milk is the biggest seller in Central Texas... the biggest seller, by far!

most housewives in Central Texas know why  
**Superior Dairies' milk is the finest milk**  
they can buy — the finest by far

More than a quarter century ago, Superior Dairies promised Central Texans the finest, the freshest, the best quality milk that science and know-how could produce. This promise has been fulfilled... day-after-day... month-after-month... until today more housewives demand Superior Dairies' milk... than any other brand.

The continued acceptance of Superior Dairies' grade-A milk is the result of rigid laboratory control. In Superior Dairies' own laboratory the quality of the milk you enjoy is safeguarded from dairy farm to your table. This "quality control" assures you better tasting, fresher, more wholesome milk; it guarantees consistent quality every day of the year... in bottle-after-bottle... carton-after-carton.

So why accept less than the best... when you and your family can enjoy the refreshing goodness of Superior Dairies' milk. Always ask for, and get, Superior Dairies' milk.

PASTEURIZED MILK

## Mrs. N. D. Fuller Funeral Services Slated Tuesday

Mrs. N. D. "Dell" Fuller, 59 years of age, died in Waco Monday following several weeks illness.

She was born in Smithville, Texas and had lived in Yarrington and Cameron most of her life.

Funeral services were slated at the Marek-Burns Funeral Home Tuesday, June 28, at 3:30 p. m. with Rev. Wayne McCamey, pastor of the Church of Christ of McGregor, Texas, officiating. Burial in North Elm Cemetery.

Survivors are her husband, N. D. Fuller of Cameron, one son, K. D. Fuller of Houston; two daughters, Mrs. W. O. Rinn of Cameron and Mrs. M. J. Orton of Houston; four brothers, J. W. Clements, E. W. Clements and Bob Clements, all of Cameron, and J. B. Young of Los Angeles, Calif., and five grandchildren.

Pallbearers were George Titlow, Bill Clements, Ollie Mendoza, Ray Westbrook, Ardell Blake, W. L. Caldwell, Johnnie Landers and Roy Otter.

## Funeral Service For Mrs. E. G. Crane Held

Funeral services for Mrs. E. G. Crane, wife of Rockdale City Judge Crane, were held in Rockdale Monday morning from the Phillips and Luckey funeral home. Rev. M. M. Fulmer of the First Baptist Church and Rev. A. L. Gatewood of Meadowbrook Baptist church officiated.

Graveside rites were conducted at the IOOF cemetery by the Rockdale chapter of Order of Eastern Star.

Mrs. Crane died at her home after a long illness. She had been active in the First Baptist Church and the Eastern Star. The Crane family moved to Rockdale from Laredo in 1946.

Survivors are her husband; four sons and four daughters, James Crane, stationed in Florida, Jack Charles and Douglas Crane of Rockdale, Mrs. Mildred Vanmeter of Bellville, Mrs. Alma Tindall of Largen, Mrs. Kathleen Shea of Alabama, Mrs. Rosemary Rinke of Hull; sisters, Mrs. N. Marshall of Heidenheimer, Mrs. Claudia Hill, and a brother, Lee, of Houston.

## COUNCIL

and residents along that stretch of road to see if they would approve permanent paving under the assessment plan. He reminded that with the heavy traffic in that vicinity temporary oiling would help the residents only a very short span of time.

After nine months of negotiations the council and Matt Zarosky have come to at least a temporary decision on taking city water to the edge of the city limits where his new sub-division is located. Zarosky offered to pay \$1,800 to bring the six-inch main to the city limits at Kolfax Street.

The council also decided that if Zarosky remains agreeable to the terms it will be written into the

contract that he will provide the mains and laterals outside the city limits, and when water is sent through the mains they will become the property of the city with no encumbrances.

Bids on a one-half ton pick-up truck for the Water Department were then taken. Bids received were as follows: From Hefley-Stedman Motor Company — on a six cylinder pick-up truck, \$1177.28, and \$1310 for an eight cylinder; Grabein Chevrolet — six cylinder pick-up truck — \$1360; and Burkes-Howard, on an international pick up truck — \$1476.87, minus \$88.07 for Federal tax refund.

The Grabein bid was accepted upon Alvin Heft's, head of the Water Department, recommendation.

## CARD OF THANKS

We wish to extend our heartfelt thanks to those sending food, floral offerings and sympathy in our hour of sorrow at the loss of our beloved husband and father. Also to the staff of the St. Edwards hospital, the Green Funeral Home and Reverend J. M. West. May God Bless you all.

Mrs. A. L. Burnet and children.

Mrs. T. C. Buffington, Mrs. W. K. Leonard, Jr., Miss Asta Rinn of Sharp visited in the home of Mr. and Mrs. Ed Persky in Belton Wednesday.

## Red Cross Falls Short of Goal Here Collects \$4,202.12 in '55 Drive

Bill Black, chairman of the Milam County Red Cross campaign, announced today that a total of \$4,202.12 was collected in the county during their annual drive this year. This sum, he stated, is far below the quota set for the county.

Although most communities have turned in their record of collections, Black reported, some few still have collections and reports to make. He added that if there is any individual or business in the county who has not been contacted their contributions will still be greatly appreciated.

Contributions by chairmen in the drive were listed as follows:

Baileysville - Briary — Mr. Ira L. Burns, \$34.00; Ben Arnold — Mrs. L. D. Swanzy — \$58.00; Branchville — Mrs. Willis Looney — \$77.00; Buckholts — Mr. Floyd Stark — \$155.55; Burlington — Mr. Dennis Klein — \$69.35.

Cameron — Mr. E. A. Perrin and Mr. Albert Collins — \$1389.55; Clarkson — Mrs. Joe Hawk and Mr. John Matyastik, \$29.50; Duncan — Mrs. Willie Schwarz — \$22.50; Friendship — Mrs. J. T. Shelton — \$29.15; Gause — Mrs. Thomas — \$32.00; Jones Prairie — Mrs. J. R. Young — \$42.50; Lilac — Mrs. Scott Bonds — \$57.50; Marak — Mrs. Edwin Adams — \$42.10; Maysfield — Mrs. W. C.

Freeman — \$57.30.  
Rockdale (including Alcoa and Industrial Gen. Co.) Mr. Leon Noack — \$1466.87; Sharp Mrs. Jack Daniel — \$40.85; Thorndale — Mr. Horace Barron — \$520.15; Tracy — Mrs. Otis Charles — \$21.; Walker's Creek — Mrs. W. E. Chamberlain — \$30.75; Yarrington — Mrs. Ed Pagel — \$26.50; Total Milam County — \$4202.12.

The names above are simply representative of the groups that worked in some of the larger communities, spending time away from their businesses and homes for the sake of the Drive.

"To those whose names are listed and the many more who are not listed," Black stated, "I wish to express my thanks for their time and efforts."

## Public Library To Be Open 5 Days A Week

Two Yoe High School students, Miss Rosemary Jones and Miss Evelyn Love were employed as part-time librarians by the Library board at their recent meeting.

The girls will keep the library open for checking out and returning books five days a week, Tuesday through Saturday, from 9 a. m.

til 11 a. m.

Mrs. Graham Gillis presided at the board meeting. Reverend Jim McKeown, who is moving from Cameron, tendered his resignation with Mrs. H. G. Harroway elected to fill his unexpired term on the board.

Their next regular meeting will be July 12.

## 550 Texans To Be Called In August Draft

A Texas draft induction call for 550 men for August, was announced today by Lt. Col. Morris A. Schwartz, deputy director of state Selective Service.

The call, Texas' share of a national call for 10,000 men, is identical with the quota for July. Quotas have maintained an almost constant level for several months.

Local board quotas for August induction into the Army will be mailed about July 5 or 6.

There will be no physical-mental examinations of men for military service through the draft boards in August, except in isolated cases, Colonel Schwartz said.

With the exception of volunteers the August induction call will be filled only with men who on August 1 are at least 21 years of age, said the deputy state Selective Service director.

## First Case Of Typhus In 2 Years Reported

The first case of typhus fever in Milam County in two years was discovered here last week by local doctors. The patient, a Cameron businessman, is now at home after a weeks stay in the hospital, recuperating rapidly.

Kimberly, of the State Health Department, reported that although there had been 26 cases in Cameron and surrounding vicinity in 1953 there had been no reported cases since that time.

Cameron doctors and health authorities reported that the disease comes from the bite of a flea that has been on an infected rat, thereby infecting the bloodstream of the human. They advised that anyone killing rats first spray with D. D. T. powder to kill the fleas first.

The disease is unusual in a number of respects, in that only one type flea from one type rat, the brown rat, is a carrier. It al-

so has a regular course which it follows, with the same symptoms each time. It takes about two weeks for the disease to run its course.

It has been authoritatively reported that the typhus patient has high fever, headache, rash and roses on his abdomen. The roses are purplish spots that feel as if each had a number 8 bishop in it.

## Methodist Boy Scout Troop At Tahuaya

CAMP TAHUAYA, June 26 (Spl.)—Seven Boy Scouts, all members of the Cameron Methodist Men's Troop, checked in here today with 104 other Scouts and their adult leaders, for a week-long adventure.

While at Camp Tahuaya, the Troop will occupy the Tonkawa campsite. Camp Director P. J. Wagner, Gatesville, reminded parents of Scouts that Wednesday night is visitors night at the Camp and that a special "stunt night"

council fire is planned for their enjoyment in the 500-seat amphitheatre recently completed by the Huaco Lodge, Order of the Arrow. Meals cannot be served visitors in the camp Dining Lodge, but Wednesday night visitors are welcome to bring picnic suppers to be eaten at the Camp, Mr. Wagner said.

Adult leaders with the Troop this week at Camp Tahuaya are Allen Dodson, Guy Rivers and Edison Fikes.

Scouts attending Camp Tahuaya with the Troop this week are: Mark Perrin, Allen Dodson, Jr., Turner Newton, Bernay Dusek, Cecil Arnold, Johnny Davis and Carroll Fikes.

Richard Bush of Cameron has been named as chairman of Milam County on the Texas United Defense Fund, the state-wide group which will sponsor USO's campaign for \$640,000 in Texas this year. The quota for Milam county is \$1,325.00.

At present there are 513 servicemen from Milam county serving in the Armed Forces. Bush was appointed today by Hubert Davis who is District Chairman of the forthcoming fund appeal to carry on the familiar services of the USO to the young men and women of the nation's armed forces. A major portion of the Texas goal, as in 1954, will be included in the Community Chest and United Fund campaigns throughout the State this fall.

Wheat Quotas Voted In By 73.3 Percent

There were only 194 of 264 eligible Central Texas farmers and their wives to vote in the wheat referendum Saturday. Those voting cast a 84.4 percent majority for the wheat marketing quota in this area.

In Milam County no votes were cast. Alva Sanders, head of the local A. S. C. office explained that there were only approximately 6 eligible farmers in the county and

those were widely scattered.

On a national scale the farmers approved the quotas by a 73.3 majority.

Included in the reported votes were most states where opposition to controls has been strongest in the past. It was reported, however, that several major producing states have yet to be heard from.

## Milam Farmers Helped By FB To Sell Mellons

John A. Smith, president of the Milam County Farm Bureau stated today that all county farmers would be assisted, if possible, in transporting their canteloupes and watermelons to market.

He asked that any farmer needing trucks to haul their mellons contact the local Farm Bureau office, 108-B North Houston Street in Cameron, or telephone 920, Cameron giving the details.

Smith added that the main information that will be needed is the amount of mellons they have on hand to sell.

Farmers soliciting help would be referred to truckers who might be interested in coming into this territory to buy produce.

According to all reports, Smith stated, the last of this week and the first of next week should be the biggest melon harvesting season of the summer, if the weather holds dry and hot.

## Frozen Food Locker Plants Featured On Humble T. V.

Typical frozen food locker plants in Texas will be featured next week on the Humble Company's TV program, Texas in Review.

The feature from Houston and LaGrange, will show how the plants process meat for customers and rent.

Another feature will tell about Boy Scout activities at the Buffalo Trail Scout camp near Llanvale.

Sunday (July 3) Texas in Review can be seen on KJIC-TV, Monday (July 4) the program appears on KRFD-TV, Dallas, at 6:30 p. m.; WOAI-TV, San Antonio, 6:30 p. m.

On Tuesday (July 5) Texas in Review can be seen on KTEC-TV, Austin, 7:30 p. m. KCEN-TV, Temple, 7:30 p. m. and KANG-TV, Waco, 7:30 p. m.

## Lymph Glands

What in the world is a Lymph gland, any way, you may ask.

The Lymph system is a system of vessels or tubes similar to the veins but more extensive. Its job is a combination of several jobs. One is the collection of the fluid part of the blood, and then the removing of bacteria from this fluid in the glands that stud these tubes.

This is our defense mechanism. If you have a bad throat, you will have enlarged Lymph glands in your neck. Your tonsils are especially built Lymph glands that guard the throat.

These selective filters called Lymph glands must have nerve energy supplied over power lines to do their work, as well as some intelligent direction that they may know when to work hard or not so hard.

Nerve line interferences would throw a monkey wrench into this delicate operation. Removal of interferences would permit normal operation.

This is a case of nerve interference causing disturbances in several organic areas:

A girl age 7 was always sick with headaches, nausea, vomiting, swollen tonsils, underweight, no appetite. A relative persuaded the mother to try this clinic. Examinations revealed the cause - X-rays showed how and where nerve pressure existed - adjustments removed this pressure and in 30 days the mother reported - appetite improved tremendously - gained 6 lbs., no nausea or vomiting. Patient discharged. The grandmother reported the other day that this girl hasn't had a recurrence of her sickness in over 11 months. She still has her tonsils - was this case hopeless? Chiropractically NO. Case 187.

## "Milkbowl" To Be Played In San Antonio

Executives of the Walt Disney organization of Burbank, California, which has made Davy Crockett a household word throughout the country, will plug the National Milk Bowl, annual football classic for small-fry elevens, coast to coast for ten weeks, according to word received today.

The seventh annual Milk Bowl is tentatively scheduled to be played in San Antonio, possibly on the second Saturday in December, under the sponsorship of a local service club.

"We all think you have a whale of an idea in the National Milk Bowl", reported the Disney organization. "We are out to do all we can to make the idea popular."

A squad from Texas meets a team from out of state in an event that has national coverage and is described by Red Grange as "the world series of small-fry elevens". Live telecast is expected to be given nationally.

The honorary board of directors of The Milk Bowl includes such eminent Texas leaders as: Hugh Roy Cullen, Jesse H. Jones, Glenn H. McCarthy, Senator Price Daniel, Governor Allan Shivers, Dr. W. R. White, and Dr. A. Frank Smith. The Milk Bowl was founded at Gause, Texas and was first played in Cameron, in 1949. The game has subsequently been played at Waco, Marlin, Rosenberg, Lufkin, and Kerrville. All revenue goes to crippled children through the local civic or service club sponsor.

## Facts About Social Security

Monthly payments to beneficiaries now on the rolls may be increased through the "drop-out" provision of the 1954 amended social security law. However, J. B. Marley, district manager of the Austin district office explained that these individuals must meet certain additional earnings requirements.

To qualify, an individual must

have six quarters of coverage (about 1½ years of work) after June 1953. A quarter of coverage is any calendar quarter in which the individual is paid at least \$50 in wages or can be credited with \$100 or more of self-employment income.

Millions of beneficiaries receive automatic increases in their benefit for the month of September 1954. Many of those who meet the above requirement may qualify for a still higher benefit. However, it is necessary that they file an application for a drop-out recomputation. This type of an increase is not automatic.

Monthly benefits under social security are computed on average monthly earnings. Consequently, any year of low or no earnings under Social Security will result in a lower benefit. The drop-out

provision of the amended law provides that as many as four or five years may be dropped only when the individual has 20 quarters (about five years of work) under Social Security.

## Girls Urged To Join SRP Baseball Team

Attendance at the Summer Recreation Program playground is still growing, Miss Dallis Young, director of the girls program reported.

She stated that girls baseball has jumped into first place as the most popular activity with bowling running a close second as favorite. Third most popular sports are golf and archery.

On the girls evenings of play the Ben Milam School plays from

6 until 7:30 p. m.; Ada Henderson teams play 7:30 to 8:30 p. m. and the three civic organization teams the Junior Chamber of Commerce, Kiwanis and Knights of Columbus teams play from 8:30 until 10 p. m.

Friday evening the Ben Milam Team One won their game from Team Two; Ada Henderson Team Two won over Team One; the Junior Chamber of Commerce Team one took their game from Team Two.

Miss Young urged all girls, of all ages, to register for play one of the teams.

# PLYMOUTH DESIGNS WITH YOU IN MIND!

to put extra value in the low Plymouth price!

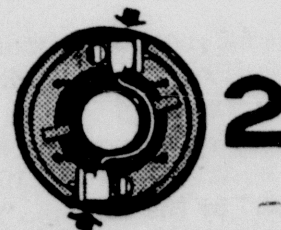

All cars have horns and wheels and headlights, but there's a lot of difference in the features of a car that add up to v-a-l-u-e. Here are just a few of Plymouth's features that will add to your comfort and your convenience. In the low-price 3, you'll find them only in Plymouth!

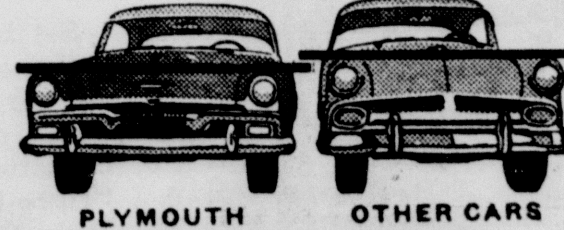

Cornerposts of Plymouth's glamorous new Full-View windshield are swept back, top and bottom (not bottom only), for better, safer vision.

For more direct pillowing action, Plymouth mounts the longer-stroke front Oriflow shock absorbers inside the big front coil springs.

Plymouth places two hydraulic brake cylinders in each front wheel (other low-price cars use only one) for smoother stops, greater reliability.

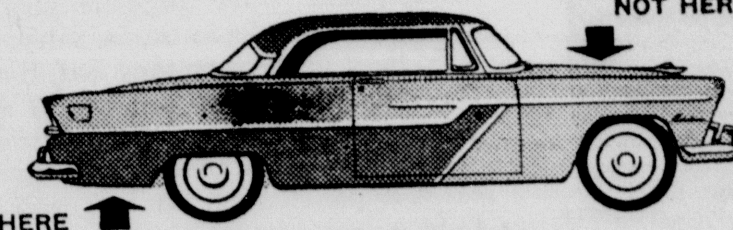

PLYMOUTH OTHER CARS

Plymouth's brilliant Forward Look styling gives you better forward visibility by letting you see more of the road directly ahead of the car.

If you ever have a blowout, your Plymouth has Safety-Rim wheels which help hold a deflated tire on the rim while you slow to a safe stop.

Plymouth's Oilite fuel filter is located back in the fuel tank to protect the entire fuel system and engine from dirt and water. Plymouth is the BIGGEST, LONGEST, ROOMIEST car of the

low-price 3. In fact, you can pay as much as \$500 more for a medium-price car that's smaller than Plymouth! When you buy on facts, not claims, your choice will be PLYMOUTH!

## Final Preparations Made For July 4 Belton Rodeo

Glamorous Polly McGowan is to be the featured Trick Rider at the 33rd Annual World Championship

Polly McGowan

Rodeo in Belton, Texas, Thursday, Friday, Saturday, and Monday nights, June 30, July 1, 2, and 4th.

This beautiful blonde has been selected for this year's Rodeo because of her beauty, her ability to ride, and for her colorful wardrobe.

This young Cowgirl has been interested in horses for several years. She has trained several Show Horses, and has a good many Blue Ribbons to her credit from the largest Horse Shows in the Country. Recently, she took up Trick Riding, and has rapidly grown to be one of the best performers in the Rodeo business.

Other Trick Riders to perform with Polly, will be Handsome Charles Thomason of Haltom City, Texas. He is the Texas Junior Champion Trick Rider, and you will see him sail around the Arena turing flips and somersaults as his horse runs at break-neck speed. Little Jo Barbee, the sensational Schoolgirl Cowgirl will steal the eyes of all of the youngsters during her trick riding performance on her faithful horse, "Tarzan". Ted Lamb, the dazzling Blonde from DaNas, Texas, will do a go many difficult stunts during the four performances at Belton this year. One of Ted's featured tricks is going under the neck of his horse while he is running full speed.

Bullfighting will be left in the hands of Cecil Ellis of Austin, Texas, a Clown who dares to tease the man-killing bulls of the Triangle Bell, Don King of Gainsville, Texas, known as the Intertube Kid, will assist in fighting the bulls.

## Braves Pace Little Leaguers; Team 1 Leading Pony League in SRP

Little Leaguers and Pony League boys are getting ready for their third game of the summer season with the results of the teams, to date, pretty much the same.

Standings in the Little League are: Yankees, played two games, won one lost one; White Sox, played two games, won one, lost one; Braves, played two games, won two, lost none; Indians, played two games, lost two.

In the Pony League, with each team having played two games, the standings are: Team 1 — won two, lost none; Team 2 — won one, lost one; Team 3 — won one, lost one and Team 4 — lost two.

In the games Monday evening the Yankees won a shut-out of seven to nothing over the Indians. Pitcher for the winning Yankees, Carroll Fikes, pitched 11 strikeouts during the game. Catcher for the Yankees was Ralph Pate.

Battery for the Indians was Bobby Griswold, pitcher and Heitman as catcher.

In the second game of the evening the Braves tallied six runs to the Whitesox two. Pitching for the winning team was Edmondson catcher.

Coach Leo Jackson stated that the Little Leaguers are getting faster and better with every game.

During his exciting first game of the Pony League during the evening Bobby Elliott of Team 1 pitched a no-hit game to the Team

Duke Gibbs, of the Triangle Bell Rodeo Ranch, is furnishing the stock for Belton's 33rd Annual Championship Rodeo. The five major rodeo events includes Bare-Championship Rodeo. The five major rodeo events includes Bare-back Bronc Riding, Cowboy's Calf Roping, Saddle bronc Riding, Bull-dogging, and Brahma Bull Riding. The sixth event will be the Cowgirls' Cloverleaf Barrel Race.

Business men of Belton will award a \$100 Gold and Silver Trophy to the Champion in each of the six events. This award will be made at the final rodeo on July 4.

Activities for the big Rodeo will get under way with a big Downtown Parade Thursday afternoon, June 30, at 4 p. m. Another big Downtown Parade will be seen Monday Morning, July 4 at 10 a. m.

The colorful Grand Entry of the Rodeo will begin each night at 8:15 p. m. June 30, July 1, and 4.

3 boys. J. Tepera was behind the plate for Team 1.

Battery for Team 3 was G. Witt, starting pitcher, relieved in the second inning by Arthur Marek, with L. Hollas as catcher.

The second game was also a battery was Make McDermott, shut-out, with Ray Green pitching for the winning Team 2 and J. Mosely catching. On the Team 4 battery were Make McDermott, catcher and B. Johnson, starting pitcher, Archie Mraz, relieving, followed by Gene Hillman on the mound.

The games are scheduled to last either five innings or one hour and 15 minutes per game, with the boys finishing on schedule Monday evening.

Scorekeeper for the Little League is John A. Smith, Jr. and Calvin Markham for the Pony League.

Coach Jackson stated that the spectators had doubled since their first games of the season, and hoped that more people will turn out to boost the Leaguers in the Summer Recreation Program.

## Applications For Highway Patrol To Be Taken

Homer Garrison, Jr., Director of the Texas Department of Public Safety, announced today that the Texas Highway Patrol will accept applications between now and July 25 from young Texans for appointment to the Texas Highway Patrol.

Garrison said that examinations for appointment to the Patrol recruit training school will be given at various points in the state early in August. Some 100 vacancies, due to the action of the Texas Legislature in increasing the Texas Highway Patrol personnel, will be filled from the roster of those qualified.

The Public Safety Director invites all young men who are interested in a career of law enforcement to make application as early as possible. He pointed out that they must be between 21 and 35 years of age inclusive, have a high school education, be at least 5 feet 8 inches in height and weight not less than two nor more than three and one-half pounds per inch of height.

Garrison emphasized, too, that applicants must have been citi-

zens of Texas for at least a year and they must be of good moral character and in perfect physical condition and able to withstand a rigid character investigation.

Garrison further emphasized that these applicants, if accepted for this Service, will receive vacation time, sick leave, if necessary, and will be covered by the State Retirement Act and the Federal Social Security Act.

Application forms, Garrison said, may be obtained from all Texas Highway Patrol District Offices or by writing directly to W. J. Elliott, Chief, Texas Highway Patrol, at Austin.

## Rev. Davis and Family New Residents

Some of the newest residents in town are Reverend Ernest J. Davis, Jr., the new pastor at the Methodist Church, and his family — consisting of wife and two children.

Their oldest youngster is Jeff Davis, III, who will be 5 in November and little Janis Ann, who is 19 months.

The Davis's have now been in town for two weeks and report they "like Cameron very much, most happy with everything — the people in particular."

Reverend Davis was formerly pastor of the St. Andrews Methodist Church in Vidon, having moved here from there.

He and his wife are both graduates of Southwestern University with Mrs. Davis a native of Georgetown. He did his undergraduate work at Perkins in S. M. U.

## Funeral Services Held For Father of Sharp Man

Mr. and Mrs. Howard Coffman have returned from Terrell where they attended funeral services for Mr. Coffman's father, Dan W. Coffman, 70.

Mr. Coffman is survived by his widow; two sons, Howard Coffman of Sharp and Clarence Coffman of Terrell; seven daughters, Mrs. J. C. Estes of Terrell, Mrs. Robertson Harrison of Garwood, Mrs. Johnny Johnson, Miss Nora Coffman, Mrs. C. E. Brown, Mrs. Gordon Knight, and Mrs. Johnny Rhodes, all of Dallas; and five brothers.

Texas dairymen have the go ahead for putting into operation Plan B for the eradication of brucellosis. The signing of recently passed legislation Governor Shivers removes all obstacles to the use of the plan.

## Chevrolet's special hill-flatteners!

162 H.P. V8

180 H.P. V8

See that fine fat mountain yonder? You can iron it out, flat as a flounder... and easy as whistling!

Just point one of Chevrolet's special hill-flatteners at it (either the 162-h.p. "Turbo-Fire V8" or the 180-h.p. "Super Turbo-Fire")... and pull the trigger!

Barr-r-r-o-o-o-O-O-O! Mister, you got you a flat mountain!

... At least it feels flat. For here are engines that sing as sweetly as a dynamo... built to pour out a torrent of pure, vibrationless power. Big-bore V8's with the shortest stroke in the industry.

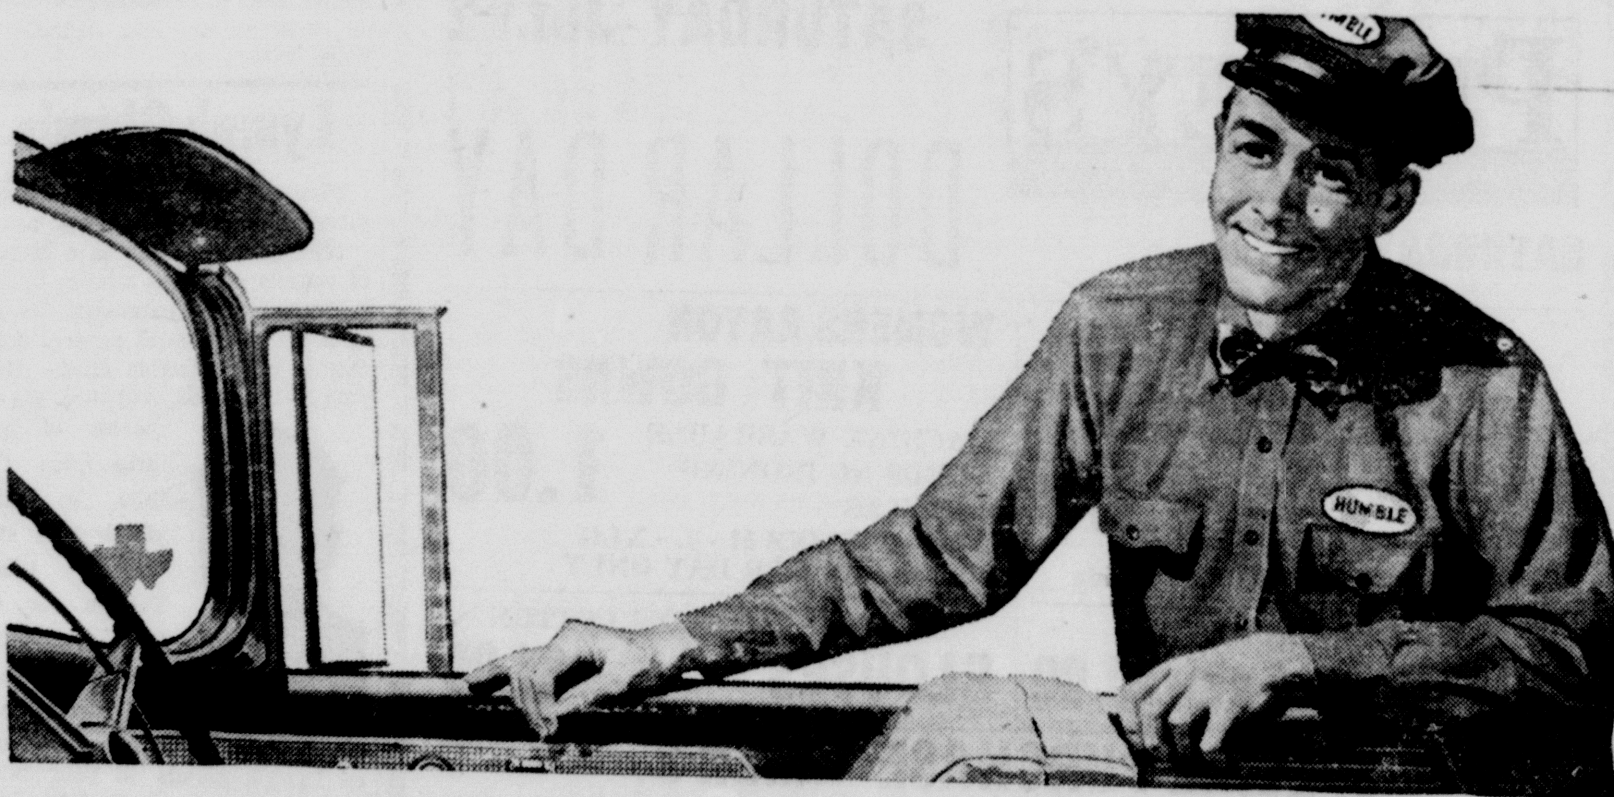

So most of the time they loaf. Even at the speed limit they just dream along, purring out a fraction of their strength.

An engineer can understand why they are so hyper-efficient. But you don't have to be an engineer to know that these are the sweetest running V8's you ever piloted. Just come in and try one out!

\*Optional at extra cost.

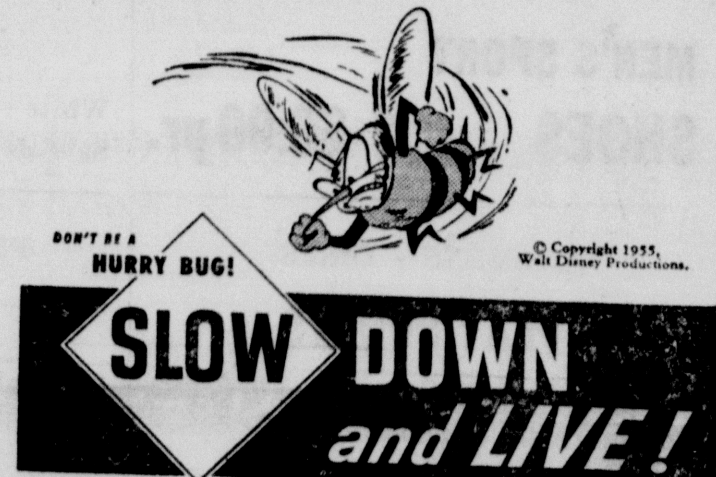

Grabein Chevrolet Co.

Enjoy the long Fourth of July weekend, and...  
**PLEASE DRIVE SAFELY!**

Safety Associations recommend that you follow these simple rules for a safe vacation trip:

- Observe all posted speed limits; don't hurry, ever.
- Regulate the speed of your car to highway and traffic conditions.
- Don't drive too long—stop when you're tired.
- Observe all highway caution warnings—slow down for curves, when descending steep hills, etc.
- Don't drink when driving.
- Follow the golden rule of traffic courtesy: give other motorists the same consideration you'd like for them to give you.

HUMBLE

HUMBLE OIL & REFINING COMPANY

## Brady Resigns As C of C Director; Hardin Appointed

O. B. Hardin has been elected to serve the unexpired term of Charles Brady, Sr., as a director on the Cameron Chamber of Commerce Board of Directors, it was announced this week.

Brady's resignation was accepted and became effective as of the Board of Directors' meeting on June 10. He has been very active as a director and is a member of the Poultry Committee in which capacity he will continue to serve.

Brady, through his resignation, stated that due to his private business taking him out of town on the days of the Board of Directors meetings, he finds it necessary to resign in order to let some one who can attend these important meetings fill his place.

Hardin was runner-up in the election for Directors in February and will serve for the remainder of the year, ending in February. His appointment to the board will not make him ineligible as a candidate in the 1956 election.

## Mrs. Rummel Grows 32 "Pickles" To Vine

A "pickle vine" bearing thirty-two small cucumbers was brought into the Herald office Thursday afternoon. The plant was grown by Mrs. John Rummel of Cameron.

Mrs. Rummel stated that all of her vines were bearing almost too profusely, leaving her with more cucumbers than she could use or even give away.

Most of those having gardens this year are experiencing the same results, for the first time in 10 years. The ideal weather, with just enough rain and hot, dry growing days has made an ideal crop year for the town and country farmers.

## One-Half Automobile Injuries on July 4 To Result From Speed

Nearly one-half of the fatalities and injuries feared likely to occur on the nation's streets and highways over the long Fourth of July

weekend will result from excessive speed, the Association of Casualty and Surety Companies announced here today.

Despite the fact that the holiday weekend, which begins officially at 6:00 p. m. Friday and ends at midnight, Monday, will give motorists better than three days for travel and relaxation, 614 motorists and passengers will face death and 9,100 may suffer injuries as a result of driving too fast. An additional 72 are likely to be killed and 1,860 injured while driving on the wrong side of the road.

Other fears are for 50 deaths and 2,000 injuries from reckless driving, 42 deaths and 5,000 injuries from failure to yield the right-of-way, 26 deaths and 1,100 injuries from fatigue or falling asleep at the wheel. Accidents from all other causes will account for 41 more deaths and the balance of injuries.

If these estimates hold true, 385 people will be killed and 21,000 injured in Fourth of July holiday traffic accidents. In addition, 3,000 pedestrians will suffer personal injuries. Drinking will be a factor in one out of every four fatal traffic accidents.

"If motorists would not try to pack too much activity into the 78-hour holiday, much of this needless tragedy could be avoided," Thomas N. Boate, manager

vention department declared. The time to begin being cautious is when planning the trip. Don't try to cover so much ground; begin your trip, and your return home, so as to allow a little extra time for traffic congestion and emergencies. The rest is simply adhering to the basic driving rules and exercising a little courtesy and self control when you drive. These simple things could mean the difference between a safe trip and tragedy for every motorist on the road."

Most of those having gardens this year are experiencing the same results, for the first time in 10 years. The ideal weather, with just enough rain and hot, dry growing days has made an ideal crop year for the town and country farmers.

BIG SQUASH

The sixteen and one-half pound squash on display in the window of the Cameron Herald office was grown by Elmer Malone and Will Hughes on the old Pitts place at 910 Batte Street. They said they used 5-10-5 fertilizer and side dressing of 10-20-10.

## Rockdale School Receives Funds For New Building

AUSTIN, June 23 — Rockdale and Marlin school boards got the cash today for building programs, as bond issues which will finance construction cleared the last legal hurdle with approval by Atty. Gen. John Ben Shepperd and registration by Comptroller Bob Calvert.

The Rockdale Schools are issuing \$320,000 in bonds, the final installment of \$500,000 voted Dec. 5, 1953. The retirement schedule calls for payment of interest semi-annually, and payment of annual principal amounts increasing from \$4,000 in 1956 to the final payment of \$18,000 in 1985.

The first \$44,000 will bear 2.75 per cent interest to the investors, the next \$137,000 will bear 3 per cent and the remaining \$139,000 will bear 3.125 per cent. Principal and interest will be paid through a tax levied on property in the district, now assessed for tax purposes at \$19,106,200.

The Marlin schools are selling \$50,000 worth of building bonds, which will bear only 2 per cent interest. Payments are to be made at the rate of \$3,000 a year from 1956 through 1969, and \$4,000 a year from 1970 through 1971. Taxable property in the Marlin district is valued at \$9,230,205.

## South Asia To Hear of U. S. Supermarkets

The modern miracle of supermarket shopping will be outlined this August to millions in South Asia in a Voice of America broadcast originating from a Safeway store in the nation's capital.

How a typical U. S. citizen shops is the program format, recorded for broadcast in the government's series "Let's Talk About Women" is beamed at listeners in India, Ceylon, Pakistan, Afghanistan and Nepal, to whose people the wonders of an American market are almost beyond belief.

To be transmitted from Colombo, Ceylon, the shopper program is part of a series the U. S. government considers an important contribution toward telling people

half-way around the world from us how we live over here.

Dr. Stanley Ghosh, chief of the Hindi section, plans to emphasize the theme with further programs about supplying the American dinner table. The program originated in a Safeway retail location opened last spring at the edge of the historic Georgetown section of Washington, D. C.

West Virginia born Albert L. Myers, 39, known to associates and hundreds of customers as "Buddy Myers, proved to be a microphone star during the radio interview.

With easy-going Mountaineer assurance, store manager Myers related the rudiments of self-service marketing for the distant radio audience, to whom supermarkets are hearsay wonders. He also described the process of checking out and paying for purchases.

"Is there haggling over prices?" he was asked.

Myers' answer may surprise some Asians whose custom it is to din their market place with a babble of bargaining.

"No. The price is clearly marked on every packaged item, and price per pound or per count at the point where each bulk item is displayed."

The Safeway manager also answered questions about specially priced articles, and said in some seasons of bumper supply, greater values are offered.

Myers also related that Safeway cheerfully refunds a customer's money on any purchase, if the customer is not satisfied in any way, another statement which may mystify some shrewd far

eastern traders.

A complimentary description of the Safeway store was woven into the introductory remarks of the 'VOA interviewer, Miss Lorraine Stickney, in a brief narrative of supermarkets and their development in America.

## Boy Scouts One Day Fund Drive Slated In October

Scouting in Texas has been expanding rapidly until there are now 165,000 youngsters enjoying the wholesome benefits of the program. And continuation of this rapid expansion program will require additional funds next year.

That's what Gov. Shivers said through his personal representative Jack Dillard, at a meeting of the Scouts' State Steering Committee in Austin Wednesday (June 29).

(Gov. Shivers had planned to address the meeting but was called to New York on business.)

Purpose of the meeting was to hear progress reports and to crystallize plans for the Boy Scouts' annual one-day drive for funds, October 25. This drive takes place in areas where the Scouts do not participate in the Community Chest or United Fund.

"Even though we have a great number of youngsters affiliated with the movement, we will need to expand our efforts so that every boy in Texas wanting to be a Scout will be able to do so. There are now 772,950 youngsters in Texas outside of Scouting and thousands upon thousands of

these boys will become Scouts when the opportunity is provided.

"Our churches, schools and other youth-building institutions are eager to use the program but they need our help in the organization of local units. Camping facilities must be greatly enlarged to provide outdoor experiences every boy craves. This, together with the need for stepping up the entire program, will cost additional money. We must raise this additional money by working harder in our campaign for funds," Gov. Shivers said through Mr. Dillard.

More than 100 Scout officials and volunteer workers from all over Texas attended the meeting.

## Miss Ruby Hill Feted With Bridal Shower Saturday

Mesdames Arnold Jungmann and Bill Lang were co-nosces honoring Miss Ruby Hill of Rogers, Bride elect of Leland Jungmann for a shower at the Educational building of Buckholts Hope Lutheran church Saturday evening.

Receiving guests were Mrs. Jungmann, Mrs. Hill, mother of the bride-to-be and the honoree, Miss Shirley Jungmann registered guests and Miss Evelyn Glaser served punch from the crystal service.

The refreshment table covered with a lace cloth, held a crystal bowl of spring flowers and roses.

Miss Gloria Ann Jungmann received gifts and had charge of the display.

## Famous Western Star To Appear During Waco Fair

Cisco Kid, idol of millions of movie and TV fans, will make a

personal appearance at each rodeo performance during the Heart O' Texas Fair in Waco, Oct. 1-7. He was the winner in a contest to decide what Western star the boys and girls of this region would prefer to see.

For six months, Cisco Kid (Duncan Renaldo) has been No. 1 tele vision favorite, nation-wide, of teen-agers. He attracts crowds wherever he appears and Heart O' Texas Fair officials are confident that, with such an attraction, a new attendance record will be set.

Great men never feel great, and small men never feel small.

Twenty nine countries belonging to the League of Red Cross Societies have contributed emergency relief valued at \$200,000, for the 60,000 men, women, and children made homeless by the Greek earthquakes of late April.

Mrs. Lawrence Zelisko

## Miss Elizabeth Ann Schmidt Becomes Bride of Lawrence Zelisko In Buckholts Sunday

Miss Elizabeth Ann Schmidt, daughter of Mr. and Mrs. Edmund C. Schmidt of Cameron became the bride of Lawrence Zelisko, son of the late Mrs. Annie Zelisko of Buckholts, in a double ring ceremony at Hope Lutheran Church, Buckholts, Texas, Sunday evening.

Rev. J. A. Pietsch, pastor of the church, officiated before an altar decorated with gladioli against a background of Emerel fern and lighted with tall white tapers in branched candelabra entwined with ferns. A satin kneeling pillow was placed before the altar and white satin bows marked the family pews. The focal point of interest was emphasized with the center altar arrangement of delphinium and fern in a white urn container.

The ushers James F. Tracy of Sinton and Hugo Fuchs of Buckholts lighted the candles.

The organist, Mrs. J. A. Pietsch played a prelude of nuptial organ music and accompanied Kenneth Triesch of New Braunfels, soloist, who sang "Because" and "O Perfect Love" before the ceremony and "The Lord's Prayer" during the marriage ceremony.

Given in marriage by her father, the bride wore a ballerina length gown of white embroidered tulle and lace over satin designed with a full skirt attached to a fitted bodice with scoop neckline and long sleeves that tapered to petal points over her hands. Her tiered finger tip veil of illusion fell from a half crown of lace and was accented with seed pearls. Her only jewelry was a pair of pearl earrings and a single strand of

pearls, both gifts from the groom. The bridal bouquet was a white purple-throated orchid set in lilies of the valley and small baby orchids carried on a white Bible.

Mrs. Olen Freese of Corpus Christi attended the bride as matron of honor and Mrs. Jimmy Lester of Cameron was bridesmaid. They were dressed alike in ballerina length dresses of mauve crystal-lette, styled with fitted bodices, portrait neckline and bouffant skirts, worn over crinoline. Their headresses were tias of pink carnations attached to blue moline, matching their colonial bouquets of pink carnations which they carried.

Arnett Zelisko of Austin attended his brother as best man. Groomsmen and ushers were Edmund Schmidt, Jr. of San Marcos, brother of the bride, and James F. Tracy of Sinton and Hugo Fuchs of Buckholts.

Mrs. Schmidt, mother of the bride, wore a navy blue dress with a white hat and matching navy accessories and an orchid corsage.

Mrs. Leo Fuchs, only sister of the groom, wore a navy dress with white accessories and an orchid corsage.

A garden reception was held at the country home of the bride. Hurricane lamps marked the entrance to the house and were placed throughout the yard. The bride's table was laid with a white cloth, tucked at each end and held with streamers of net and ribbon. Pale pink roses with pale green stems cascaded around the four tiered cake surrounded with white tulle skirting. Punch was served from a crystal bowl

and table appointments were of silver and crystal.

Miss Sue Chaffin of Nixon presided at the punch, while Miss Mary Crozier served the cake, assisting at the bride's table was Mrs. J. Bullard Bennett of Austin. Mrs. Edwin Lehmann of Buckholts registered the guests. Mrs. Edmund Schmidt, Jr. of San Marcos and Mrs. Robt. Schmidt of New Braunfels displayed the gifts. Others assisting in the house party were Miss Ruth Ann Whittington, Miss Barbara Juneke, Mrs. Walter Juneke, all of Cameron, and Miss Dora Ray Owens of Johnson City.

For a wedding trip to Florida and Washington, D. C. Mrs. Zelisko chose a blue and white suit with a Wedgewood blue silk blouse. Her accessories were pearlized pink and her corsage a white orchid.

The bride is a graduate of Texas Lutheran College and Southwest State Teachers College. She is a member of the faculty of Buckholts Public Schools.

The bridegroom is a graduate of Blinn Junior College and Texas Lutheran College. He is engaged in business in Rosebud.

Mr. and Mrs. Zelisko will be at home in Cameron.

## F.H.A. Girls Gather At Ledbetter Park

On June 21 the Future Homemakers of America had their regular meeting at the Ledbetter Park. They started gathering at 6 p. m. to swim and later to eat their picnic supper with their families.

At 7 p. m. the meeting was called to order by Peggy Burke. Mary Horstmann gave the blessing and then the girls dug into the food. After everyone had eaten they built a fire to burn the trash and sat around and sang songs.

This is one way the F. H. A. girls are carrying out the national goal "Families Together" and also the two purposes "To provide wholesome individual and group recreation and "To work for good home and family life for all."

Those attending were Mr. and Mrs. Charlie Burke, Peggy and Donna Kay, Mr. and Mrs. Leo Jackson and Myrna Gail, Mrs. Henry Richter, Mary Ellen and Henrietta, Mrs. Emil Hollas, Barbara and Dorene, Mrs. Phillip Hubnik, Emily, Frances, Cecelia and Pauline, Mr. and Mrs. A. Horstmann, Marye and Loyce, Jeanette and Eunice Taylor, Mary and Gloria Marak, Dawn Allison, Mary Harwell, Mary Fikes, Annetta Sheldner, Rita Ried, Catherine Hubnik, Wanda Kirk, Janice Bridges, Elwanda Holland, Mrs. F. J. Beckerman and Mrs. W. T. Whatley, Jr.

The next regular meeting will be held at the gym July 22 at 6 p. m. There will be a slumber party, Mary Ellen Richter Jr. F. H. A. Reporter

## Crouch Family Reunion Planned Here In July

The Crouch family will meet in the Cameron City Park July 10 for their family reunion.

All members of the family have been urged to be present. Each family will bring a basket lunch which will be spread at noon.

## Diaper Data

Saint Edwards Hospital reports six births within the last two weeks even though there were no births at the hospital from June 8 to June 16.

Mr. and Mrs. Joaquin Garcia are the parents of a daughter, Paula Maria, born June 16 at 5:30 p. m. She weighed seven pounds, 12 ounces.

Franklin Dee is the new son of Mr. and Mrs. Joseph Deerman of Chrisman. He arrived June 17 at 6:30 p. m. and weighed seven pounds, 12 ounces.

On June 18 Mr. and Mrs. W. T. Harmonds became the parents of a son, William Thomas. He arrived at 5:48 a. m. and weighed six pounds, fourteen ounces.

At 9:13 p. m. June 18, little daughter was born to Mr. and Mrs. Pete Kunz of Cameron. The new arrival was named Cynthia Dianne and she weighed 7 pounds, 11 ounces.

Mr. and Mrs. Dana Monroe are the parents of a son, David Mark, born at 10:13 a. m. June 21. He weighed 8 pounds, seven ounces.

Mary Helen is the name chosen for the new daughter of Mr. and Mrs. Leland Garrison of Cameron. She arrived at 12:30 a. m. June 23 and weighed seven pounds and seven ounces.

## Elizabeth Schmidt, Bride Elect, Feted With Buffet Supper

Mr. and Mrs. E. W. Lehmann and Mr. and Mrs. Jimmy Lester entertained with a buffet supper honoring Miss Elizabeth Schmidt and her fiancé, Mr. Lawrence Zelisko on Saturday evening June 18 at the Lesters home, 401 Yale.

Standing black metal hurricane lamps flanked an arrangement of daisies in a straw container on the green linen covered serving table which stood on the terrace. Table appointments were of pottery, copper and straw. Individual white linen covered tables centered with miniature arrangements of daisies, were placed about the lawn between standing hurricane lamps.

The brides chair was marked with a miniature bouquet of valley lilies entwined with silver and satin ribbons while the groom's chair held a boutonniere of valley lilies.

After a meal the hosts presented the honorees with a wool blanket and a set of Hallite Wear.

Twenty guests were present for the occasion. They were Mr. and Mrs. Charles Brady, Mr. and Mrs. Alton Fuchs, and Miss Ruth Reichert of Cameron, Mr. Lawrence Fox and Miss Juliann Jones of Buckholts, Mr. and Mrs. Jesse Holloway, Mr. and Mrs. Clois Green of Rockdale, Dr. and Mrs. Halvert Hansen of Clifton, the hosts and honorees.

The engaged couple will be married Sunday evening in Hope Lutheran Church, Buckholts.

Tiny Baron has returned from a vacation trip to Washington, D. C. and other points of interest.

## Smith-Dittmar Wedding Vows Exchanged in Brides Home at Temple

Marialyce Smith and Douglas Dittmar were united in marriage at the home of the bride's parents, in Temple, at eight o'clock in the evening, June 25, 1955.

The bride is the daughter of Mr. and Mrs. Barton Smith of Temple and Mr. Dittmar is the son of Mr. and Mrs. Albert J. Dittmar of Fredericksburg, Texas. Marialyce is the niece of Mr. and Mrs. Lester Glass of Cameron.

The Rev. Clarence Doss of Belton read the single ring ceremony in the spacious livingroom, where Mrs. Glass of Glass, The Florist, decorated the altar. Using palm trees to form the background in front of a large picture window, she placed tall branched candelabra showered with blush pink gladioli and baskets filled with exquisite pink gladioli.

Given in marriage by her father, the bride wore a waltz length dress of blush pink embroidered organza over taffeta fashioned with off-the-shoulder neckline, fitted bodice and full circular skirt. Her gloves were full length, made of pink embroidery organza. She carried a wedding bouquet of pure white Cattleyas orchids showered with lilies of the valley. Her head piece was formed with pink tulle and interwoven with seed pearls. Her only jewelry was a strand of pearls, a gift from the groom.

Miss Florence Rodenbeck of Galveston attended the bride as maid of honor. She was wearing a dress of ice blue imported cotton, fashioned like the brides. Her semi-colonial bouquet was of du-bonnet Cymbidium orchids showered with love-lies.

Pianist was Miss Martha Carolyn Graves of Goldthwaite, cousin of the bride. She wore a semi-formal navy imported cotton dress complimented with a Cymbidium orchid corsage.

Robert Dittmar of Harper, served his cousin as best man. Al Miller of Austin and Boyce Fischer of Fredericksburg were ushers.

The bride's mother wore a frock of silk nubby shantung and the groom's mother wore a dress of navy blue imported cotton. Both wore blush pink Hybrid Cattleyas Orchid corsages.

The bride's table was laid with a pink satin cloth draped with nylon tulle caught at vantage points with orchid corsages showered with lilies-of-the-valley. Tiered candelabra and a huge arrangement of French pink tulle interspersed with twenty four large

blush pink orchids graced the table. The wedding ring cake decorated with orchids, lilies-of-the-valley and stephanotis was at one end of the table while at the other the crystal punch service was placed.

Mrs. Robert E. Newton of Austin served the cake and Mrs. Clarence Doss of Belton was at the punch service. Miss Evelyn Cheatham of Cuero was at the bride's book. The house party consisted of Texas University classmates of the bride. They were: Miss Florence Rodenbeck, Mrs. Robert E. Newton, Mrs. Clarence Doss, Miss Evelyn Cheatham.

Mrs. Dittmar received her B. S. and M. S. degrees from Texas University and is a member of Alpha Gamma Delta and Omicron nu sororities. She is now Home Demonstration Agent of Gillespie County with headquarters in Fredericksburg.

Mr. Dittmar is a graduate of Texas A & M College and is with the Farmers Home Administration in Fredericksburg.

For travel the bride wore a brown and white checked imported cotton suit fashioned with pencil slim skirt and scooped neckline. Brandy brown shoes, and bag with white gloves, hat, and white orchid corsage completed her ensemble.

The couple left immediately for Houston where they went via air to spend their honeymoon in New Orleans, La.

Guests from Cameron attending the wedding were Mr. and Mrs. Lester Glass, Mr. and Mrs. Donald Glass and Jack and John Glass.

## Eddie Huntsman Is New Commander of Local DAV Post

Eddie Huntsman was installed as the new Commander of the local Disabled American Veterans Tuesday evening at their regular meeting at the Sam Tyson Memorial Hall.

Other new officers installed by Walter Obermiller were Travis Anderson, Senior Vice Commander; Homer Allen, Jr., Junior Vice Commander; Walter Obermiller, Adjutant; and Herbert Nance, Chaplain.

Following the ceremonies refreshments were served.

## New DAV Auxiliary Officers Installed

New officers were installed into the Disabled American Veterans organization at their regular meeting Tuesday evening at the home of Mrs. R. L. Batte, Sr., the outgoing Commander.

Mrs. Walter Obermiller, the immediate Past Regional Three Commander, and present State Chaplain performed the installation ceremonies.

New officers are Mrs. Ruby Fogle, Commander; Miss Olga Lang, Senior Vice Commander; Lynn Fuchs, Junior Vice Commander; Agnes Tlachy, Adjutant; and Mrs. Batte, Chaplain.

Following the ceremonies sherbet, fruit cake and salted nuts were served to the guests.

Their next regular meeting will be held in the Memorial Hall July 19. All members and those desiring to become members have been urged to attend.

## 42 Leisure Club To Disband During Summer Months

Members of the 42 Leisure Club met at the home of Mrs. John Matvastik for their social and business meeting Thursday afternoon.

Mrs. Charles Payne, president, conducted the business meeting prior to the games. It was decided that the group will disband during the summer months.

The living room of the hostess home was decorated in arrangements of roses and zinnias.

Winning high score was Mrs. Walter Marek, with Mrs. Payne having second high. Mrs. Ida Michalka won the 84 prize.

Guests at the meeting were Mrs. Marek, Mrs. Michalka, Mrs. Otto Wied, Mrs. Fritz Wied and Mrs. Tony Vogelsang.

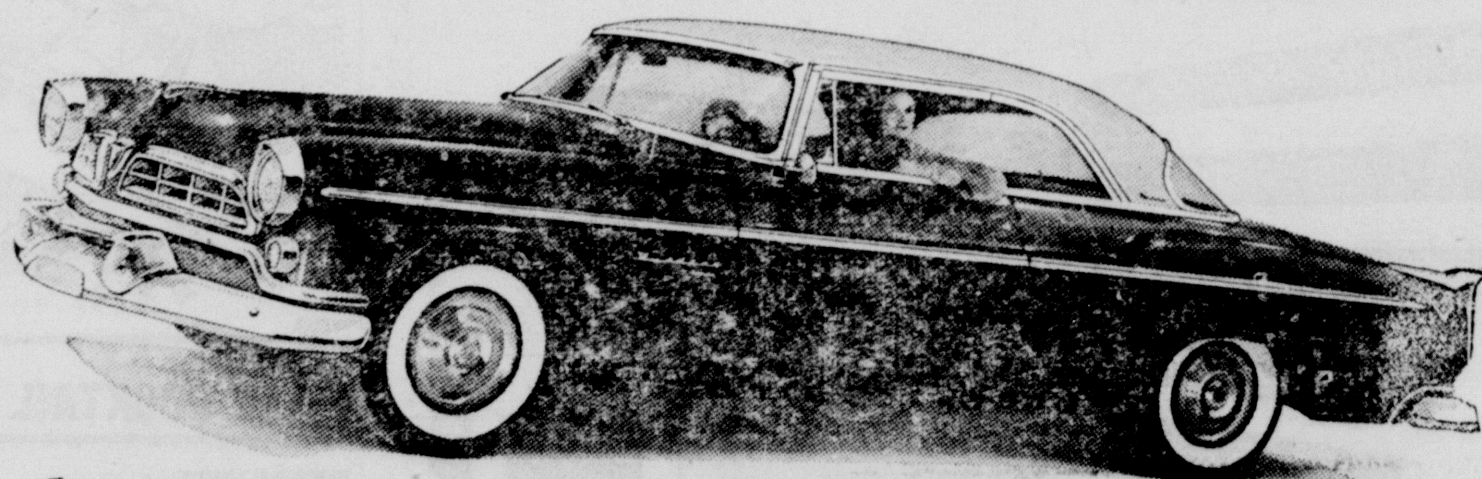

Refreshments of ice cream and individual angel food cake squares were served.

Their next regular meeting will be held in the home of Mrs. Leo Fuchs on September 1.

## GIRL SCOUTS RETURN FROM CAMP TEX-LAKE

Nelda Bruce Parker, daughter of Dr. and Mrs. Joe Parker, Donna Kay Reed, granddaughter of Mr. and Mrs. J. J. Martin and Carol McKeown, daughter of Rev. and Mrs. James McKeown have returned from a weeks stay at Girl Scout Camp Tex Lake, at Spicewood, Texas.

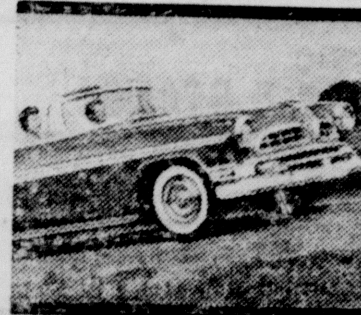

## Make this a great day in your life... Come take CHRYSLER'S "100-MILLION-DOLLAR RIDE!"

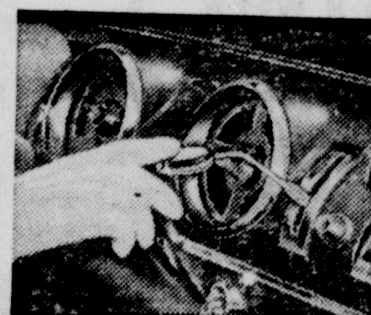

Come see the glamorous "100-Million-Dollar Look" that's got motorists switching to Chrysler by the tens of thousands!

You'll really be pleased when you get a look at the price tag of this sleek, powerful new Chrysler Windsor Deluxe V-8! It's so much less than you might think, and it includes so much more than other cars in its price class! You get as standard equipment a whole multitude of exciting new drive features that

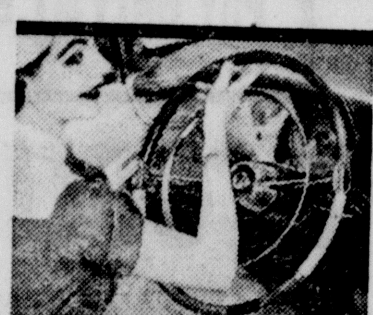

you either can't get at all, or have to pay extra for, on most other makes. And, of course, you get all of Chrysler's famous size, comfort and performance! So see us soon, won't you? You'll find our easy terms make this brilliant new Chrysler Windsor a "natural" for your budget!

Most powerful type V-8 engines on the road! As high as 300 hp if you choose... with a tremendous margin of safety-reserve power that's instantly responsive to your every driving command!

Smoothest, most automatic no-clutch driving of all, with world-famous PowerFlite Fully-automatic Drive! It multiplies engine power over 400%. New range selector located on the dash!

One finger is all it takes to turn or park this great new beauty, with Chrysler's Full-time PowerSteering. The only power steering that stays on the job all the time, giving you secure "feel of the road!"

Matchless comfort, even on the roughest roads, with the double-strength cushioning power of Oriflow shock absorbers. Synchronized springs and anti-roll suspension add road-bugging stability!

GOOD DRIVERS DRIVE SAFELY!

## Newly Wed Couple Honored At Shower Saturday

The ranch home of Mr. and Mrs. Davis Anderson, Hoyte Community, was the scene of a wedding shower honoring Mr. and Mrs. Eugene A. Beckhusen last Saturday night.

Mrs. Anderson, as hostess was assisted by Mrs. Sealy Riley of the community and Mrs. Eddie Montman of Cameron.

The guests were registered in a unique flower-shaped guest book by the hostess who later presented it to the bride.

Vases of gladiolas, zinnias and roses decorated the party rooms. The dining table was covered with blue cloth, topped with a nylon lace cloth. An arrangement of blue and yellow, entwined crepe paper streams dropped from the center ceiling light fixture to each corner of the table. Gifts to the couple were arranged on the table. Members of the houseparty assisted the couple in unwrapping the gifts.

Coke, cookies and mints were served to approximately fifty guests.

## Marak KJZT Group Enjoys Trip To Austin Recently

An educational tour of the capital was enjoyed by sixteen girls and four sponsors who are members of the Marak K. J. Z.T., Juniors.

They visited the chamber of the Senate, House of Representatives, Court of Criminal Appeals, Civil Appeals, the State Library and the Governors Reception Room.

The group visited the State Tre-

asury department and met Jesse James.

After visiting the State Memorial Museum, the group enjoyed a noon picnic and swimming at Barton Springs.

The trip was sponsored by the KJZT, District IV.

## Suspect In Younts Attack Being Held

A suspect in the case of the unidentified man who attempted an attack upon Mrs. T. W. Younts of Ad Hall community is being held in Louisiana.

District Attorney Robert Nelson stated that the suspect would be extradited and brought to Cameron for identification and questioning.

## Belton Boosters Here To "Boost" Parade

The Belton Boosters arrived in Cameron Thursday to advertise the Belton July 4 parade and rodeo.

The gala parade, in which Miss Ann Karnowski will represent Cameron, is scheduled for Monday July 4 at 10 a. m.

Rodeo's will be held each night for three days June 30, July 1, 2 and 4.

Duchesses from all of the surrounding towns will ride floats at the parade and be presented to the audience at the July 4 rodeo performance.

Many exciting events are slated during the rodeos.

## Polio Vaccine Use Halted Till "Absolutely Safe" Verdict Given

WASHINGTON, — Three polio experts called Wednesday for an immediate halt in the production and use of Salk vaccine until it can be made "absolutely safe" and any danger of a new "Cutter incident" removed.

Their recommendations were promptly challenged by two other experts, including Dr. Thomas M. Rivers, chairman of the vaccine advisory committee of the antiPolio Foundation for Infantile Paralysis. He said it would be "tragic" to halt the inoculation program now.

The conflicting views were given during a unique "roundtable" discussion by 15 polio authorities before a House Commerce subcommittee. The subcommittee sought the experts' opinions on the safety and effectiveness of Salk shots.

Dr. Jonas E. Salk, developer of the vaccine, was a member of the panel but he declined to express an opinion on whether the program should be halted. He predicted that in the not too distant future the number of polio cases among inoculated children will drop off considerably.

First to question the Salk vaccine was Dr. Albert B. Sabin of the University of Cincinnati. He said there is no assurance that it is "absolutely safe" even under the government's stiff new testing procedures.

Citing the "Cutter incident", he recommended that production and use of the vaccine be halted until the so-called Mahoney virus, a virulent or highly infectious polio strain used in the Salk formula, can be replaced by a "safer" strain.

Dr. John F. Enders of Harvard University sided with Sabin.

Dr. William MD. Hammon of the University of Pittsburgh said in a letter to the subcommittee

that "no more vaccine should be released for distribution" because more time is needed to make a "vaccine of adequate safety" that can be produced in large quantities.

Dr. Joseph E. Smadel, polio expert at the Army's Walter Reed Medical Center, said no one can predict when an improved strain can be developed to replace the Mahoney strain.

Surgeon General Leonard A. Scheele said last week when the polio foundation decided to go ahead with its inoculation program that the "great preponderance" of scientific opinion favored the step despite some dissenters.

Salk also told the attentive con-

gressmen that his shots hold no danger for parent or playmates of inoculated children if the vaccine has been properly produced according to his basic formula.

He said inoculated children could pass a polio infection to others. But this, he said, would be possible despite — not because of — the vaccine. He emphasized that his shots are intended to prevent paralysis, not infection.

## 9 Softball Teams Play Friday In Girls Sports

The girls softball teams in the Summer Recreation Program met

for the first time Friday afternoon with nine full teams participating, Miss Dallis Young, director, reported.

In the senior division the Kittens defeated the Mites, 13 to 6. In the second game, the PeeWees won over the Midgets 26 to 11.

Miss Young stated that she had two teams of girls, 8 years and under, playing, and was expecting more to turn out this week.

Milam County property is becoming worth more money every year, the estimated evaluation for 1956 is approximately \$30,000,000 an increase of some \$2,000,000 over 1955.

## Grand Prize naturally doubles your pleasure

*because nature grades  
each golden drop!*

Look at nature's way of grading—Heavy goes to the bottom—Light rises to the top. That's why in Grand Prize you get just the choice top of the brew. Only this naturally light and dry best part of the brew is bottled for you! Never a trace of heavy harshness or cloudy bite—can't be—because nature knows best. Always has. Always will. Catch up on pleasure—step up to Grand Prize, today!

Tell the man, "G P for me — naturally!"
